MESSAGE FROM OUR PRO-CHANCELLOR

副校監的話

今年是公開大學的銀禧校慶。眾所周知，香港寸金尺土，要覓地擴充校舍是一項艱鉅且極富挑戰性的工作。但經過多年鏗而不捨的努力，我們幸運地能在這銀禧慶祝年間，先後增設葵興教學中心及獲頒環保殊榮的銀禧學院。

與此同時，公開大學現已蛻變為一所具備多元教學模式的高等院校，提供的一系列學習選項，能配合不同人士的學習情況和需要。大學一直深受學生和商業社會歡迎，我們亦深慶得到政府的大力支持，但作為一所自負盈虧的高等院校，我們在資源及財政管理上面對一定挑戰。對於大學的所有持份者，我們有責任妥善運用資源和追求卓越的學術成就。在此，本人非常榮幸能告訴大家，有賴

This year marks the 25th Anniversary of the Open University of Hong Kong. The acquisition of land in Hong Kong is an arduous and challenging undertaking. However, through our persistent and relentless efforts, we have been fortunate in acquiring first the new Kwai Hing Learning Centre, and then the award-winning, environmentally smart Jubilee College building in this Silver Jubilee celebration year.

At the same time, the University has evolved into a multi-mode centre of higher learning, offering a myriad of educational options for learners with different needs and learning profiles. OUHK has been ardently embraced by students and the business community alike. While we are grateful for some valuable government support, our mission as a self-financing tertiary institution nevertheless poses a formidable challenge on our resourcefulness and acumen for shrewd financial management. We owe all our stakeholders a high degree of accountability in terms of astute funding deployment as well as academic excellence. I am happy to say that through the dedicated efforts of the Council, academic and

校董會全人、全體教職員以至學生全心全意的付出，大學在過去一年繼續取得連串佳績，並達致另一個新里程。

本人擔任大學校董會主席多年，對於全校上下團結一致的精神引以為傲。這份精神除了有助我們取得社會各方的支持外，亦使大學能夠茁壯成長，克服重重困難。二零零九年，方正博士接替我出任校董會主席一職。在其領導下，公開大學得以繼往開來，不論在地域的擴張、學術課程的多元發展及教學質素的提升，均不斷開創佳績。

本人對於能夠出任副校監這個新職位深感榮幸，並將堅守崗位、竭盡所能，確保大學能夠順利運作。服務公開大學多年的梁智仁校長於今年離任，出掌香港醫院管理局主席一職，本校喜獲黃玉山教授接任校長。黃校長對本港、內地以至海外的教育情況均深具經驗和識見，在其領導下，公開大學的發展定可再上一層樓。

藉公開大學慶祝銀禧校慶之際，本人謹衷心感謝校董會、大學管理層及教職員同事多年以來所作出的重大貢獻。全賴各位的努力，對未來我們將更具信心，並期望會揭開大學發展的新一頁。此外，我亦促請本校上下一心，在黃玉山校長的領導下，繼續展現公開大學的開創精神，令大學的發展再攀高峰！

executive staff as well as our students, the University has achieved yet another successful year and reached another milestone in our proud history.

Over the long years of my association with the University as Council Chairman, I have been greatly impressed and inspired by the team spirit that pervades our institution and which enables it to rally public support and erect a magnificent educational edifice from very humble beginnings against great odds. In 2009, I passed the baton to Dr Eddy C Fong, and under his guidance OUHK continues to grow and achieve prominent results in the extensive areas of geographic reach, academic diversity and educational quality.

It has been a great honour for me to assume the newly created titular position of Pro-Chancellor, and to preside over the affairs of the University with a watchful eye and tender care. With the departure of our illustrious past president Prof. John C Y Leong to head the Hong Kong Hospital Authority, we are most fortunate to have Prof. Yuk-Shan Wong aboard at the helm to lead the University. With his unparalleled knowledge of the education field in Hong Kong, the mainland and abroad, and his visionary leadership, OUHK will be embarking on a new course for development and growth.

In celebrating OUHK's Silver Jubilee, I thank the Council, academic and management staff for their great contributions in the past, and look towards the future with confidence and hope. Let me, as a cheerleader, urge the University team under Prof. Wong to boldly advance forward, and usher the University into a brave new era. Let us all climb and conquer another summit together to prominently display the undaunting spirit that is OUHK!

MESSAGE FROM OUR COUNCIL CHAIRMAN

校董會主席的話

公開大學於一九八九年創立之初，致力為成人學習者提供高等教育的機會。四份一個世紀過去，公開大學繼續發揚有教無類的崇高辦學精神，並以開放及靈活的教學模式向有志學習者敞開大門。

今年公開大學慶祝二十五周年校慶，全校上下均非常振奮，並以多年來所取得的眾多成就而深感自豪。大學自正名以來，一直不斷擴展，但轉型的過程並非容易，當中有不少挑戰和困難。回顧過去，十二年前全日制課程首次推出，應對了中學畢業生對專上教育殷切的需求；學科及課程持續增加，而校園設施也有顯著的提升。現時，我們各種修讀模式的學生總數約有一萬九千人。

The OUHK started out from a modest beginning in 1989 to provide adults with the invaluable opportunities to pursue higher education. For a quarter of a century, we have been continuing this noble mission to make higher education available to all, principally through a system of open and flexible learning.

This year, we are celebrating our 25th anniversary and gratefully, we have many things to be proud of. As we evolved from the Open Learning Institute to university status, the role of the University has been expanding and we have been coping with rising challenges. Managing such a transformation is no easy task. Full-time programmes were introduced 12 years ago to meet with the surging demand for tertiary places from secondary school leavers. Scope of courses and programmes on offer was substantially extended while campus facilities greatly enhanced. Currently the total enrolment of students in various study modes is around 19,000.

本校作為一所政府創立、自負盈虧的院校，多年來一直維持財政健康，行政及教學質素從不受影響，這實在有賴政府和社會人士的鼎力支持。當中包括土地、免息貸款和慷慨惠贈的善款，讓我們得以完成多項發展計劃，為莘莘學子提供更優質的學習環境。從第二期校舍，到位於忠孝街的銀禧學院，以至葵興教學中心，這些項目有助大學進一步發展，以應對日益增加的需求，並為全日制學生提供更寬敞的學習空間。

在過去二十五年裡，本校四任校長及他們領導的團隊，孜孜不倦為公開大學的發展貢獻心力，勞苦功高。大學因此得以擴大規模，為有志學習者提供開放、靈活，並且多元化的教學模式。展望將來，大學計劃積極推進研究工作，擴大在中國內地的網絡，以及發展更多新穎的課程，從而應對不同學習者的需要。

梁智仁教授在竭誠服務本校十載後，於二零一四年三月三十一日榮休，公開大學喜獲黃玉山教授接任校長一職。黃校長是傑出的學者和研究人員，大學行政方面甚具經驗。本人深信校董會及大學全體教職員均會竭力支持黃校長，帶領本校再闢高峰。

As a government-established and self-financed institution, the OUHK has succeeded in maintaining a balanced budget in its core operations without sacrificing quality in education and administration. Thanks to the sustained support from the government and community through land, loan grants and generous donations, we have been able to have our development plans realized and created a more improved learning environment for the students. From Campus Phase Two, Jubilee College on Chung Hau Street to the Kwai Hing Learning Centre, infrastructural supports have been considerably strengthened to cope with our expansion needs and the efforts continue to make available more space for our full-time students.

In the past 25 years, with the dedication and tireless pursuit of excellence from our four outstanding Presidents and the team they led, the OUHK has delightfully grown in size and sophistication and become not only open and flexible but also multimode. Looking ahead, the University will enhance its efforts in building up our research capacity, extending our network in the mainland and develop more niche programmes to serve the needs of various learners.

After contributing ten years of dedicated service, Professor John Leong retired on 31 March 2014 and we are much delighted to have the University led by another distinguished educator, researcher and renowned academic administrator Professor Yuk-Shan Wong. I am confident that members of both the Council and staff will support Professor Wong to guide the OUHK to go from strength to strength in many years to come.

MESSAGE FROM OUR PRESIDENT

校長的話

“ This goes to my belief that we must stay faithful to the core mission of the University: To give our students the best education they are entitled to. 本人深信我們必須堅守大學的核心使命，那就是為學生提供最優質的教育，而為人師者的任務正是如此。 ”

Prof. Yuk-Shan Wong
黃玉山教授

本人深感榮幸能夠出任公開大學第五任校長。適逢大學二十五周年校慶，能與這所「開放、靈活及多元模式」的大學一起慶祝，實在令我非常鼓舞。

公開大學擁有一套行之有效的制度，而現時我們力求在學術方面能夠再上層樓。今天，資助院校之間的競爭固然激烈，而自資院校的情況亦不遑多讓。本人曾擔任本校校董會成員，對大學的運作及其使命頗為熟悉。我們大部份學生均非來自富裕家庭，入學時的學業成績也不十分彪炳。但教書育人的要旨，並不在於誰在起跑線上站得最前，而是誰在競賽中最具實力；畢竟人生並不是短途賽事，而是一場長跑。不管學生入學時的成績如何，本校致力悉心培育，期望他們在畢業時有明顯的躍進。

我非常感激多位前任校長所作出的貢獻，使大學無論在設施以至學術範疇均奠定了堅實的基礎。儘管如此，在進一步改善設施方面，要做的工作還有很多。就此，我會致力爭取常盛街土地發展新一期校舍，目的非為招收更多學生，而是希望為莘莘學子提供最佳的學習環境和校園生活。

It is with a sense of honor and privilege that I joined OUHK as its fifth President. I arrived just in time to help celebrate its 25th Anniversary, happy with its evolution into an institution of higher learning that is 'Open, Flexible and Multimode'.

Our system is in good shape. Now our challenge is to climb up another rung in the ladder of academic success. The publicly-funded higher education sector is fiercely competitive, and no less so for the self-financed tertiary education sub-sector. As a former member of the University Council, I am conversant with OUHK and its mission. It is fair to say that our students mostly don't come from a background of privilege, nor do they necessarily bring with them the most eye-catching academic records. But education is not about those who are first off the starting line, but about those who stay strong in the race, for life itself is not a sprint but a marathon. Ultimately, regardless of who comes through the gates of the university, we will be judged by what takes place between entry and exit, between admission and graduation.

I am thankful that my predecessors have laid the physical foundations for the University and its academic diversity. There is of course still work to be done in further enhancing our facilities. In this regard, I will work tirelessly to secure that precious parcel of land on Sheung Shing Street, not for the purpose of recruiting more students, but to bring about a better learning environment and finer facilities worthy of a good university. I don't subscribe to growth for its own sake, but to growth that comes organically.

本人深信我們必須堅守大學的核心使命，就是為學生提供最優質的教育。為人師者的任務正是如此。本人或許老派一點，但我相信「質素」應是教育的根本，較品牌建立或任何其他考慮重要。能提供優質的教育，聲譽自必日隆，學生的學習體驗也更富意義。

簡而言之，公開大學不單要做到「開放、靈活及多元模式」，還要「創新」以保持競爭力。在發展及制訂學科和課程的過程中，我們應該注入創新理念，為學生提供嶄新的學習體驗及模式。在現今數碼的時代，面授教學並非唯一的選擇，教師可以運用其他許多虛擬工具豐富學習體驗。我們的學生對教學有更高期望，這是很理所當然的，今天的學習亦不應再是平面和單一。

公開大學要更上層樓，必須在教與學的質素上躍升，而創新更是我們持續進步的關鍵因素。我們期望教師們能善用科技和各種各樣的教學資源，並投入有助教學的研究工作。

在這全球化的年代，所有大學都強調國際化，公開大學也不例外。無論校園內是否有外籍同學，學生們都應培養對外國事物的興趣和國際視野。未來數年，本校將致力通過境外參觀和交流活動，為學生提供更多汲取國際經驗的機會。今年，本人作為公開大學校長，將履任「亞洲開放大學協會」主席，為此我們更應建立獨特的國際角色，為會內其他院校樹立楷模。

This goes to my belief that we must stay faithful to the core mission of the University: To give our students the best education they are entitled to. That is the principal reason for our being. Call me old school, but I am of the view that quality must come before brand-burnishing or any other consideration. Take care of the quality of education, and our reputation will grow legs. We will simply let our quality do most of the talking, by turning learning into an adventure and lessons into meaningful experiences.

In short, OUHK must not only be 'Open, Flexible and Multimode', it must also be 'Innovative' in order to be competitive. In developing our curriculum and delivering programmes and courses, we should be more innovative in introducing new potent learning experiences and modes to students. In the digital age, there are virtual alternatives to face-to-face instruction. The tools are there for teachers to make learning a complete experience. Our students have the right to expect more from us, more than just one-dimensional instruction.

This University's ascent to its next level will depend on a qualitative leap in teaching and learning, with innovation as the X-factor in our pursuit of progress. We expect our teachers to be technologically experimental and pedagogically resourceful, with an interest in undertaking research that aids teaching.

In the global age, no university worth its salt can do without an international orientation. Our students need to develop a lusty global outlook and a keen interest in things foreign, with or without the presence of foreign students on campus. In the next couple of years, the University will do all it can to provide students with more opportunities for exposure to international experiences through a variety of visits and exchange activities outside of Hong Kong. This year, the OUHK President

大學教育誠然有別於職業訓練，但長時間以來，不論在亞洲或世界其他地方，大學所教授的東西並未能配合工商業界的需要，大學畢業生往往未能為投入職場作好準備。雖然公開大學畢業生的就業情況相當不俗，但我們仍會努力培養學生的解難能力，使其可以應付瞬息萬變的就業市場。

大學教育是循環不息的工作，而教師是當中的核心。有優秀的教師，便有出色的大學，日後，我希望能為傑出的教師給予恰當的讚揚和認同。本人深信，無論當前的挑戰或競爭如何，我們將能百尺竿頭、更進一步。公開大學二十五歲了，已是一個茁壯成長的青年，展望將來，我們將會繼續創一番輝煌事業。

assumes the presidency of the Asian Association of Open Universities, and we must be an exemplar to our peers by having a distinct global character.

University education is of course not synonymous with vocational training. But for too long, in both East and West, what is learned in the university is not aligned with what is required by industry and commerce. Graduates are often ill-prepared for the demands of the workplace. While our graduates are eminently employable, we should try harder to close the expectation and preparation gap by giving them the problem-solving skills necessary for a changing labour landscape.

A university is a work in progress, and teachers are at the heart of it. There can be no great university without great teachers whom I hope to prominently recognize for pedagogic excellence. I am confident that whatever the challenge or competition, we shall rise to the occasion. At 25 years old, our adolescent uncertainties are behind us. Now we can confidently look forward to the fruits of purposeful adulthood.

ENTERING A NEW ERA

繼往開來 創新里程

香港公開大學於一九八九年成立，今年慶祝二十五周年銀禧紀念，在一片歡欣氣氛之中，本校作為一所勇於承擔社會責任的高等院校，已做好準備在學術上更上層樓。

為香港公開大學銀禧校慶揭開序幕

公開大學的葵興教學中心於二零一三年十一月十四日開幕，典禮邀得教育局吳克儉局長出任主禮嘉賓，並由二十五周年校慶督導委員會胡永輝主席、校董會方正主席、張永銳副主席及梁智仁校長一同主持。

本校去年耗資近八億元購入九龍貿易中心其中五層，設立葵興教學中心，作為李嘉誠專業進修學院的總部。中心總面積逾十二萬平方呎，空間是原有的港島教學中心三倍，可容納學生一千二百名。隨着學院的課程種類和學生人數持續增加，位於上環的港島教學中心的空間及設施不敷應用，因此自資購入上述物業，並以五千六百七十萬元進行裝修和購置設備，其中特別增設多間模擬課室，例如機艙、酒店房間、醫院病房及電台錄音室等等。

此外，本校亦喜獲美國安利（香港）日用品有限公司慷慨捐款五十萬元，成立學生獎學金及增繕教學設施。典禮上，梁校長及方正主席從該公司傳訊部經理錢繩巧女士手上接過模擬支票。為表謝意，中心的其中一個課室命名為「安利教學室」。

Established in 1989, the Open University of Hong Kong celebrates its 25th Anniversary this year. It is a year filled with spirited festivities, while it is poised for another leap in academic excellence as a socially responsible institution of higher education.

The curtain-raiser to OUHK's Silver Jubilee Anniversary celebrations

On 14 November 2013, the Kwai Hing Learning Center officially opened its doors in a ceremony presided over by the Secretary for Education Mr Eddie Ng, assisted by 25th Anniversary Steering Committee Chairman Dr Vincent Woo, OUHK Council Chairman Dr Eddy C Fong, Deputy Council Chairman Mr Edward Cheung and President John Leong.

Last year, at a cost of nearly HK\$800 million, we acquired five floors of the Kowloon Commercial Centre as the new LiPACE headquarters. At over 120,000 square feet of gross area, the Kwai Hing Learning Centre is three times the size of LiPACE's original premises in Sheung Wan, and capable of accommodating 1,200 students. The original premises in Sheung Wan cannot keep pace with the explosive growth in programmes and student numbers. Another \$56.7 million was spent on renovations and the purchase of equipment for the new facility, including mock-up rooms such as a cabin, hotel room, hospital ward and radio/sound recording studio.

As a cherry on top of the ceremony, Ms Cynthia Chin, Communications Manager of Amway Hong Kong Limited, presented a cheque for \$500,000 to President John Leong and Dr Fong for the establishment of a scholarship and for the enhancement of our teaching facilities. In appreciation of Amway's generosity, a classroom was named the 'Amway Tutorial Room'.

銀禧學院落成啟用 — 全新校舍 締造歷史

公開大學賽馬會校園銀禧學院的啟用，標誌著大學的發展邁進另一新里程。銀禧學院於二零一四年二月二十七日正式揭幕啟用，並邀得行政長官梁振英先生擔任主禮嘉賓。教育局吳克儉局長、公開大學副校長、校董會主席、副主席、二十五周年督導委員會主席、梁智仁校長、香港賽馬會施文信主席及超過四百多位嘉賓蒞臨啟用典禮。香港警察風笛隊和公開大學管弦樂團於現場表演，為典禮平添不少歡樂氣氛。

樓高十二層的銀禧學院設備先進完善，主要開辦文化創意、檢測認證及醫療服務相關的全日制課程，每年的收生人數約七百五十人，總學額達二千四百個。公開大學衷心感謝社會賢達、機構、教職員和校友的熱心支持，令銀禧學院得以建成，當中尤其感激香港賽馬會慈善信託基金慷慨捐款約二億港元。為答謝基金的捐助，本校分別把新校園及大樓的綜藝廳命名為「賽馬會校園」和「賽馬會綜藝廳」。

The opening of Jubilee College — the centrepiece of concrete progress

With the opening of the Jubilee College, OUHK has gone up another notch in its development. On 27 February 2014, the Jubilee College at the Jockey Club Campus was officially opened by Hong Kong SAR Chief Executive and OUHK Chancellor Mr C Y Leung, accompanied by Secretary for Education Mr Eddie Ng, OUHK Pro-Chancellor, Council Chairman, Deputy Chairman, 25th Anniversary Steering Committee Chairman, President John Leong, and Chairman of the Hong Kong Jockey Club Mr T Brian Stevenson. The ceremony was witnessed by over 400 guests and friends of OUHK, to the musical accompaniment of the splendid Hong Kong Police Band and the OUHK Orchestra.

The new 12-storey facility, with a wide range of state-of-the-art facilities, will mainly provide full-time programmes in cultural and creative arts, testing and certification, and medical services. The annual intake is about 750, with a total capacity of 2,400 students. The University is heartened by the enthusiastic support and contributions from philanthropists, organizations, staff and alumni for the construction of Jubilee College, particularly the magnanimity of The Hong Kong Jockey Club Charities Trust with its major donation of nearly \$200 million. In recognition of the generosity of the Trust, the new campus and the auditorium in the new College have been named the 'Jockey Club Campus' and the 'Jockey Club Auditorium' respectively.

銀禧校慶連串慶祝活動

開放及靈活教育國際會議於二零一四年首次舉辦

本校首個慶祝成立二十五周年的重要學術活動——「開放及靈活教育國際會議」——於二零一四年一月十六至十七日一連兩天在公開大學舉行。公開大學是亞洲開放教育的佼佼者，主辦是次國際會議，目的是因應開放及靈活教育在全球迅速發展的趨勢下，為學者、專家及教育人員提供互動平台，讓其交流研究心得、觀點和實踐經驗。是次會議邀得教育局署理常任秘書長李美嫦女士主持開幕儀式。

會議以「開放和靈活教育：嶄新模式和途徑」為主題，共邀得世界各地一百八十位教育專家及學者參加。會上多位著名及資深學者分別發表主題演講，包括本校副校長（科技及發展）梁鎮明教授、楊百翰大學麥凱教育學院 David Wiley 教授、史丹福大學人工智慧實驗室總監兼 Coursera 創辦人之一吳恩達教授，以及新南威爾士大學教學部副總監 Bob Fox 教授。

此外，會議亦舉辦了一項最佳靈活學習實踐獎比賽，結果由澳洲新英格蘭大學商學院的 Bayerlein Leopold 博士勝出；而沙地阿拉伯 King Saud University 的 Mohamed S H AL Moshaikeh 博士的論文則在大會收到的逾一百份作品中獲選為最優秀論文。

A smorgasbord of Silver Jubilee celebrations

Inaugural International Conference on Open and Flexible Education 2014

The inaugural International Conference on Open and Flexible Education (ICOFE), the first major academic event of OUHK's 25th Anniversary celebration activities, was held from 16 to 17 January 2014. As a leader of open education in Asia, the University organized ICOFE to provide a platform to share research, best practices and views on the fast-growing trend towards flexible and open education. The Acting Permanent Secretary for Education Ms Michelle Li was a guest of honour.

With the theme of 'Making Learning Open and Flexible: Emerging Modes and Approaches', the Conference attracted 180 experts and practitioners from various countries. Keynote addresses were delivered by OUHK Vice President (Technology and Development) Prof. Leung Chun-ming, Professor of the McKay School of Education of Brigham Young University Prof. David Wiley, Director of Stanford Artificial Intelligence Lab of Stanford University and Co-founder of Coursera Prof. Andrew Ng, and Deputy Director of Learning and Teaching Unit of the University of New South Wales Prof. Bob Fox.

Dr Bayerlein Leopold of the University of New England Business School in Australia was declared the winner of the Best Practices of Flexible Learning Competition, while Dr Mohamed S H AL Moshaikeh of King Saud University in Saudi Arabia won the Best Paper Award from among over 100 paper presentations.

Year of the Horse gallops to a celebratory close

Considered part of OUHK's Silver Jubilee celebrations, this year's Closing-of-the-Lunar-Year Luncheon drew over 700 guests and staff on 21 January 2014. The event was presided over by Dr Charles Lee in his new capacity as Pro-Chancellor.

喜迎奔騰馬年

作為校慶活動之一，今年的團年飯吸引逾七百位賓客及大學教職員於二零一四年一月二十一日聚首一堂，李業廣博士並首次以副校監的身份主持儀式。

在聚餐期間，出席者一同向三組獲頒「校長卓越成就獎」的同事致意。他們分別是：大學研究中心李錦昌總監，他於第二十七屆亞洲開放大學協會年會中取得最高榮譽的最佳論文金獎；科技學院的環境與藻類研究團隊，他們所指導的一組學生獲國家級獎項；以及葵興教學中心的項目團隊，他們在緊絀的財政、時間和技術條件限制下順利完成項目。

最後，梁智仁校長頒發長期服務獎，今年共有二十一人獲頒二十年獎，另有二十一人獲頒十年獎，當中包括全職教職員及兼職導師，而作為其中一位十年獎得主，梁校長則由方正主席手上接過獎項。今年共有三位員工榮休，由一月底退休的梁鎮明副校長（科技及發展）代表致辭。大會於席間更安排遊戲及抽獎節目，並播放一段影片回顧大學二十五年來的轉變；另外又有同事和學生表演，全場洋溢一片喜氣洋洋的氣氛。

Honoured with the President's first Award for Distinguished Achievement was the Director of the University Research Centre Dr Li Kam-cheong who was the recipient of the Gold Medal for the Best Paper Award at the 27th Annual Conference of the Asian Association of Open Universities. The second award was won by the environmental and algal technology research team from the School of Science and Technology for supervising a group of national prize-winning students. The third award went to the project team for their success in fitting out the Kwai Hing Learning Centre, despite the many limitations imposed by time and budget constraints.

Finally, 21 full-time staff and part-time tutors received the Long Service Awards for having served the University for 20 years. Another 21 colleagues were honoured for ten years of service; also honoured were three retiring staff members. The presenter of the awards President John Leong was himself presented with his own souvenir for ten years of distinguished leadership by the Council Chairman. Vice President (Technology and Development) Prof. Leung Chun-ming, who retired at the end of January, spoke on behalf of the retirees. There were lighter moments with a lucky draw, and lively performances by staff and students as well as a video chronicling the changes of the University over the last 25 years.

公開大學大家庭暢聚迪士尼樂園

二零一四年二月二十三日，二千五百多位公開大學的成員和親友，一起在香港迪士尼樂園度過了一個熱鬧、歡欣的周日。

這項活動獲多位慷慨人士資助，以優惠價贊助本校學生、校友、教職員及兼職導師購票。由於反應熱烈，最後由梁智仁校長以電腦抽籤抽出幸運兒。同時，多位香港失明人協進會的視障人士及義工應邀作為嘉賓，與公開大學共賀銀禧。

為了增添氣氛，大會特別於當天中午時分在樂園原野劇場內舉行公開大學的專屬「獅子王慶典」大型歌舞表演。表演開始前，二十五周年校慶督導委員會胡永輝主席帶領的主禮團與迪士尼卡通朋友手挽手上台向觀眾致意。

當天梁校長呼籲參加者踴躍支持大學新近成立的大學義工隊；而大會安排的抽獎和遊戲，則為同樂日增添不少色彩。

23 February 2014

OUHK 25th Anniversary Fun Day

A magical day at the Magic Kingdom for the OUHK Family

Members of the OUHK family had a taste of the Disney magic on 23 February 2014 when more than 2,500 members and their families converged on the Magic Kingdom for a day of fun and frolic.

Thanks to the generosity of several supporters, participating students, staff, alumni and part-time tutors enjoyed subsidized admission. Due to overwhelming demand, these tickets ultimately had to be distributed by a computerized lottery officiated by President John Leong. A number of visually impaired people and volunteers from the Hong Kong Blind Union were invited to join us as guests.

The highlight was the exclusive Lion King Show at the Theatre in the Wild at noon. The officiating party led by the 25th Anniversary Celebration Steering Committee Chairman Dr Vincent Woo joined iconic Disney characters on stage, to loud cheers.

The President urged participants to support the newly formed OUHK volunteer team. Games and a lucky draw added colour to the day.

梁智仁校長告別公開大學大家庭

梁智仁校長服務香港公開大學長達十年，於二零一三年三月底榮休。在臨別贈言中，他感謝大學教職員努力不懈，齊心協力，將這所自負盈虧的院校發展成為本港高等教育界別中一所別具特色、出類拔萃的大學，過程中充份展現梁校長「赤誠之心，成事之本」的個人格言。

成功轉型 多元教育模式大學

梁智仁教授於二零零三年卸下醫生袍，離開工作多年的香港大學，成為本校校長。當時公開大學正面對遙距學生人數顯著下跌的挑戰。

十年間，本校全日制課程學生人數由二百五十人急升至現時的七千人，而遙距課程亦繼續穩步發展，並維持每年約一萬二千名學生；此外，本校網上學習和混合學習模式課程學生的人數亦持續增加。梁校長表示：「若有人問我在執掌公開大學十年期間，最感到自豪的是甚麼，我會說是能夠成功將公開大學轉型為一所多元教育模式的大學。」

President John Leong bids OUHK farewell

At the end of March, Prof. John C Y Leong retired as President of the University, after ten years at the helm. In bidding farewell, he said that together we have turned this self-financed university into a unique and successful institution, reaffirming his personal motto 'Passion generates quality work!'

Transforming OUHK into a multi-mode university

Back in 2003, Prof. Leong took off his doctor's robe at the University of Hong Kong and took on the mantle of President of OUHK. At that time, the University was faced with the crisis of declining numbers in distance learners.

Ten years later, the number of full-time students at OUHK has grown exponentially from 250 to 7,000, with distance learning student population staying at 12,000, while admitting an increasing number of e-learning and blended learning students. The retiring President said 'If I was asked what my most gratifying accomplishment is during my ten years at the University, I would say, without a doubt, that it is in transforming OUHK into a multi-mode university.'

擴建校園 學習環境更趨完備

在出任校長一職後，梁校長有感學生人數持續上升，大學設施的確不敷應用。但在寸金尺土的香港，要向政府爭取用地發展殊不容易。在其領導下，公開大學於十年間先後建成了一棟十二層高的第二期校舍以及位於忠孝街的銀禧學院；另外又開設葵興教學中心，為李嘉誠專業進修學院增加兩倍可用空間。校園的迅速擴展，為學生提供更好的學習環境，亦大大豐富其校園生活。

回望過去 難忘公大美好回憶

二零一三年十二月九日，梁校長出席任內最後一次畢業典禮，並於致辭時表達了對公開大學的情感：「在一生中找到理想的事業並非易事。本人幸運地能夠擁有兩份自己非常熱愛的事業。首先是在香港大學的醫學院，其後則是在這裏——香港公開大學。在離開公大後，我將出任醫院管理局主席，繼續服務社會。回望過去，與大家所度過的十年，實在非常難忘，帶給我很多美好的回憶。」

Building a bigger campus for a richer university life

Upon assuming stewardship of the University, Prof. Leong could see that its facilities were inadequate to meet the needs of a rising student population. Though it was notoriously difficult to secure even an inch of land in urban Hong Kong, Prof. Leong was able to bring about erecting the 12-storey Campus Phase II and the Jubilee College both within a single decade, while ushering the Kwai Hing Learning Centre into existence, thereby tripling the physical space for LiPACE, offering students a better learning environment and a richer university life.

Looking back with affection

On 9 December 2013 at the last Congregation, Prof. Leong said, 'Not everyone goes through life enjoying their career. Even fewer people can derive satisfaction from two different careers. I am one of the fortunate few, having served the Medical Faculty of the University of Hong Kong and the Open University of Hong Kong in a leadership position. Now, I am ready for my third act, to take up my new role as Chairman of the Hospital Authority. But OUHK will always have a special place in my heart.'

即將卸任的梁智仁校長於二零一四年三月十九日出席由公共事務部舉辦的傳媒茶聚。對於能夠成功將公開大學轉型為一所多元教育模式的大學，面授課程學生的人數持續上升，並成功從政府取得更多支持以提升學生的學習環境，他表示感到非常自豪。

香港公開大學管弦樂團周年音樂會

香港公開大學管弦樂團於二零一四年三月二十九日舉行周年音樂會，並將演出呈獻即將卸任的梁智仁校長。音樂會以「Shine」為主題，寓意公開大學在梁校長領導下成就卓著，閃閃生輝。樂團邀得著名小提琴手郭子健先生及大提琴手黃嘉輝先生擔任獨奏嘉賓，配合由本校壹公聲基督徒詩班及香港公開大學校友會組成的合唱團一同演出。

歡送酒會

逾二百位教職員於二零一四年三月三十一日為梁校長舉行歡送酒會，並送上記載梁校長公大歲月的珍貴相冊及影像光碟。出席者包括校董會主席、副主席等，其後並一起拍攝大合照留念，作為紀念品致送予梁校長。

此外，梁校長更與候任校長黃玉山教授一同為設於銀禧學院的校長會議廳揭幕。

The University bids the President farewell

Members of the OUHK family organized a series of events to bid a fond farewell to President John Leong.

A special guest at the dinner was Dr Michael Y K Chan, Chairman of Café de Coral Holdings Ltd who spoke on 'The Journey of a Brand' in running his successful business. The dinner attracted over 100 students, alumni, colleagues and guests.

Saying goodbye to media friends

At a final media gathering for the retiring President organized by the Public Affairs Unit on 19 March 2014, Prof. Leong said that while he is proud of transforming OUHK into a multi-mode university, the University is bursting at the seams with the growing number of face-to-face students and appealed to the Government for more support in giving students a better learning environment.

OUHK Orchestra pays its musical tribute to the outgoing president

OUHK Orchestra dedicated its annual concert titled 'Shine' to Prof. Leong, under whose leadership the University has been shining. Also featured at the concert on 29 March 2014 were the famous violinist Mr Samuel Kwok and cellist Mr David Wong as well as a choir formed by The One and the United Christian Choir and the OUHK Alumni Association.

The Farewell Party

More than 200 staff members with a number of alumni were joined by Council Chairman Dr Eddy Fong and Deputy Council Chairman Mr Edward Cheung Wing-yui gathered together on 31 March 2014 to bid Prof. Leong an emotional farewell. They presented him with a video disc and a photo album that recall his precious days at the University. A group photo of all present was taken and presented to him as a souvenir.

Prof. Leong and the incoming President Prof. Yuk-Shan Wong were then invited to jointly unveil the plaque at the President's Chamber in Jubilee College.

梁鎮明副校長榮休

梁鎮明副校長（科技及發展）於二零一四年一月底退休。他回憶約十五年前於加州教書時，因緣際會遇上時任公開大學校長的譚尚渭教授，並獲邀加入本校任要職。

梁教授初時出任科技發展總監一職，並於二零零一年晉升為副校長，主理校內資訊科技的應用及籌劃校舍建築等項目。多年來完成的大型項目達二十多個，當中以「學生管理系統」最為複雜，更被形容為「不可能的任務」。系統最終以八年時間成功推出。他很慶幸能貢獻一己之力，協助本校迅速發展。

Retirement of Vice President Prof. Leung Chun-ming

Vice President (Technology and Development) Prof. Leung Chun-ming who retired at the end of January 2014, recalled that he met Prof. Tam Sheung-wai, then OUHK President by chance some 15 years ago while teaching in California. He joined the University at the President's invitation.

Prof. Leung first took up the post of Director of Technology Development. In 2001, he was promoted to Vice President with two major responsibilities: Developing IT applications and managing infrastructural projects. On his watch, he has completed over 20 large-scale projects, including the Student Administration System (SAS) whose complexity earned the project the fearsome nickname 'Mission Impossible'. After eight arduous years, the SAS was successfully launched. He was gratified that he played a part in the University's rapid growth and development.

葉耀強教授出任協理副校長

葉耀強教授於二零一四年二月一日晉升為本校協理副校長（學術支援及對外聯繫）。葉教授於一九九七年加入公開大學，翌年獲擢升為李兆基商業管理學院院長。過去十六年，葉教授致力為本校注入新思維，並帶領大學進行各個新項目，例如發展全日制面授課程、網上學習課程、混合學習課程、內地課程，以及成立本校深圳辦事處等。葉教授在新崗位將能繼續發揮所長。

A new post for a consummate leader

Prof. Ip Yiu-keung has been appointed to the newly created post of Associate Vice President (Academic Support & External Links) with effect from 1 February 2014. Prof. Ip joined OUHK in 1997 and was promoted to Dean of the Lee Shau Kee School of Business and Administration the following year. Throughout his 16-year tenure at OUHK, he was instrumental in developing full-time, face-to-face programmes, e-learning programmes, blended learning programmes and mainland programmes. He also played a pivotal role in setting up the OUHK Shenzhen office, among other things. Now a new hat for a leader who can juggle multiple roles.

Officiating the ceremony were senior representatives of the stakeholder groups: The Acting Director of Social Welfare Mr Fung Pak-yan, the Deputy Chairman of the Hong Kong Jockey Club Dr Simon Ip, the Chairman of the Elderly Commission Prof. Alfred Chan, OUHK Council Chairman, Deputy Council Chairman and President.

Dr Simon Ip also applauded OUHK's partnership with the Hong Kong Jockey Club in the expansion of healthcare services to the elderly and sufferers of chronic diseases.

The two partners also announced the establishment of the Jockey Club Community Healthcare Education Scholarship. Ms Lam Sze-man, representing the first 12 scholarship recipients, joined the officiating party.

切合對社區護理人才的需求

本港人口持續老化，長期慢性病患者日增，對社區照顧服務需求越趨殷切。「賽馬會社區健康教育計劃」成立的目的旨在為社會培訓一千名社區健康工作人員及一千五百名家居照顧義工，讓有需要人士可在社區接受健康護理。

該計劃包括開辦兩個兼讀學術課程及一個免費教育課程，亦會舉辦供公眾人士參與的社區健康活動。

培訓社區護理專業人才

在該計劃下，本校首先於二零一三年十月推出兩個兼讀課程：六十學分的「健康學文憑（社區健康護理）」課程和三十學分的「健康學證書（社區健康護理）」課程。這些課程教授學員基本的護理知識和技巧，讓畢業生能夠在社區和醫療機構內執行基本護理工作。證書課程的畢業生和完成第一學年文憑課程的同學，可向社會福利署申請成為「殘疾人士院舍保健員」及「安老院保健員」。如有志繼續進修，修畢上述文憑課程的畢業生已合乎資格報讀本校的全日制「護理學高級文憑」課程，按部就班成為本港登記護士。

基金同時亦為課程設立為期五年的「賽馬會社區健康教育獎學金」，以獎勵成績優異和有經濟需要的學生，預計三百名學生將能受惠。

培訓義工建立支援網絡

計劃的下一階段將於二零一四年推出「賽馬會社區守望相助課程」。這項免費課程旨在培訓有志參與社區健康義工服務的十八歲或以上公眾人士。在為期三至六個月的課程中，學員將會學習基本護理知識和技巧，準備日後成為家居照顧者或義工，在所屬社區協助有需要的長者、殘疾人士、慢性病患者等。

Meeting the community health need

There has been an upsurge in the need for community healthcare services, due mostly to a rapidly aging population and a related increase in the incidence of chronic diseases. The Programme aims to train 1,000 community health workers and 1,500 volunteers to meet this need via community-based supportive healthcare services.

It consists of two part-time academic programmes, and a free education programme, supplemented by a diversity of community healthcare services that will be open to the public.

Getting ready to serve —

Training professional community health workers

Two part-time programmes were launched in October 2013: The 60-credit Diploma Programme in Health Studies (Community Health Care) and the 30-credit Certificate Programme in Health Studies (Community Health Care). These programmes train students in basic nursing knowledge and skills, and prepare them to deliver healthcare services in various community settings. Graduates of the Certificate programme and students who have completed the first year of the Diploma programme will be eligible to register with the Social Welfare Department for two qualifications, namely, 'Health Worker for Residential Care Homes for Persons with Disabilities' and 'Health Worker for Residential Care Homes for the Elderly'. Graduates of the Diploma programme are eligible to apply for the full-time Higher Diploma in Nursing Studies programme leading to an accredited Enrolled Nurse qualification in Hong Kong.

The Trust has also funded the establishment of the Jockey Club Community Healthcare Education Scholarship for needy and worthy students. In the coming five years, 300 students are expected to benefit from this scholarship programme.

Preparing to watch over the old and the disabled

The next phase of the Programme will see the introduction of the Jockey Club Home Health Watch Programme in 2014. This is a free education programme for individuals aged 18 or over who are interested in providing voluntary community healthcare services. In this 3-6 month-study, participants will be taught basic nursing knowledge and skills relevant to their work as homecarers or volunteers offering supportive care to the elderly, the disabled and individuals with chronic diseases.

舉辦活動推動社區健康文化

該計劃亦會籌辦一系列提升公眾對社區健康意識的活動，例如在社區健康日提供基本健康評估和護理示範，以及舉辦公眾座談會，以促進業界交流和提高市民對社區護理的認識。

公開大學頒發獎助學金

公開大學在二零一二至二零一三年度一共派發了逾五百四十萬元獎助學金，其中超過二百八十人獲頒獎學金或學科優異獎，另約三百三十人獲得助學金。頒授典禮於二零一三年八月二十八日在何文田校舍舉行，由本校榮譽院士、寶的集團有限公司主席陳振彬博士主禮。當日亦舉行「陳振彬全日制學生內地體驗基金」的成立儀式。該基金獲陳博士捐款一百五十萬元，以資助本校全日制學生到內地參加短期見習或交流活動。

Where the eye does not see, the heart does not grieve

Part of the Programme's aim is to increase public awareness of community healthcare. Promotional activities will include a Community Healthcare Day during which free health assessment and a demonstration of basic healthcare skills will be provided. There will be public forums for industry experts to share ideas and knowledge with the general public.

More fiscal support for the needy and the worthy

The OUHK presented more than 280 scholarships and subject prizes, and some 330 bursaries with a total value of over \$5.4 million in the 2012-2013 academic year. An awards presentation ceremony was held on 28 August 2013 on campus with Dr Bunny Chan Chung-bun, the University's Honorary Fellow and Chairman of Prospectful Holdings Limited, as our Guest of Honour. A launch ceremony was also held for the Bunny Chan Mainland Experience Fund for the OUHK Full-time Students, which was established with a generous donation of \$1.5 million from Dr Chan to subsidize our full-time students participating in internships, short-term programmes or exchange activities in mainland China.

本校於三月十九日舉行方燕琼電腦中心命名儀式，以答謝榮譽院士兼校友方燕琼女士捐款六百萬六千元，支持興建銀禧學院。方女士一向熱心支持公開大學，曾捐款支持本校第二期校舍擴建計劃，並設立獎學金及資助學生交流活動。方燕琼電腦中心佔地一千三百多平方米，備有二百五十多部電腦供同學使用。

何息夷圖書館

為答謝伍潔宜慈善基金二千萬元的捐款，大學將設於銀禧學院的圖書館命名為「何息夷圖書館」，儀式於二零一四年三月二十八日舉行。伍潔宜慈善基金多年來捐款支持本校不同發展項目，包括校舍興建及學術活動。何息夷圖書館令本校圖書館的總面積增加逾五成，為學生提供更多學習資源。

「長得福演講廳」及「清香慧演講廳」

本校獲榮譽博士兼資助及發展基金委員會成員陳振彬博士慷慨捐款六百五十萬元，大學按陳博士意願，將兩個設於銀禧學院的演講廳，分別命名為「長得福演講廳」及「清香慧演講廳」，以紀念其先嚴及先慈。命名儀式於二零一四年三月二十八日舉行。兩個演講廳分別可容納一百六十個學生，可供大型講課、研討會及國際會議之用。

To the philanthropic donors go the honors — Jubilee College facilities naming

Fong Connie Computer Centre — 6.006 is a lucky number

A computer centre at the College, with a gross floor area of over 1,300 square metres and equipped with more than 250 computers, was named after Ms Connie Fong for her generous donation of \$6.006 million towards this campus extension. A long-time supporter of the University, she has previously donated towards the Campus Phase II project, established scholarships and sponsored student exchange activities. Remarkably, she is both an alumna and an Honorary Fellow of OUHK. The naming ceremony took place on 19 March 2014.

Ho Sik Yee Library — now bigger by 50%

Following a \$20-million donation made by the Wu Jieh Yee Charitable Foundation, a naming ceremony of the Ho Sik Yee Library in Jubilee College was held on 28 March 2014. For years the Foundation has been a strong supporter of the University's campus extension and academic development projects. With the addition of the Ho Sik Yee Library, our library is expanded by 50% to provide a more spacious environment for student learning.

Chan Cheung Tak Lecture Theatre and Chan Ma Ching Heung Lecture Theatre — a double honor for a big-hearted donor

In recognition of the \$6.5 million donation by Dr Bunny Chan Chung-bun, himself a member of the Sponsorship and Development Fund Committee and Honorary doctorate of the University, two lecture theatres in Jubilee College have been named in honour of his late parents. Each of the two lecture theatres can accommodate 160 people and can be used for large-size classes, seminars and even international conferences. The naming ceremony was held on 28 March 2014.

CREATING KNOWLEDGE FOR A BETTER UNIVERSITY

砥勵精進 創新知識

積極善用政府新的研究資助

大學的角色包括傳遞及創造知識，而香港公開大學深信源於研究的嶄新知識，將有助提升教學質素，就此本校成立了大學研究中心，鼓勵並推動教職員開展研究工作。

政府於二零一三年底推出自資學位界別的研究資助，供相關院校的教職員公開競逐。大學研究中心就此舉辦了一系列講座，講解如何撰寫高水平的研究計劃書和開展研究項目。大學對所呈交的研究計劃要求嚴謹，規定必須經校內資深教職員審批。本校非常積極參與競逐有關資助，在首輪申請中，大學一共呈交了四十份研究建議書。

研究人員亦需依循嚴謹的研究程序規範，例如在涉及以人類或動物作為研究對象時需注意安全及道德問題。

另一方面，大學亦正在研究於多個策略領域設立研究中心的可行性。大學研究中心已就此與人文社會科學院及科技學院制訂相關計劃書。

Capitalizing on new government research funding

Universities are places where knowledge is both transmitted and created. OUHK believes that knowledge generated through research can enhance teaching quality. The University Research Centre (URC) was established to encourage staff to undertake research.

The Government launched at the end of 2013 funding schemes for research which were open to academic staff of self-financing institutions on a competitive basis. The URC offered a series of seminars for academic staff on how to prepare quality research proposals and how to implement research projects. The University required that proposals be vetted by senior academics. Academics keen on research formed research teams and prepared proposals. The University submitted a total of 40 proposals in the first round of this funding application.

Academics were also required to follow procedures for research review, namely research safety and research ethics involving human subjects or animals.

The University is also canvassing the possibility of setting up research institutes dedicated to its strategic areas. URC has developed a plan on this initiative with the School of Arts and Social Sciences as well as the School of Science and Technology.

通過移動學習提升語文能力

教育科技出版部與教務處成功獲教育局專上教育「質素提升津貼計劃」一百五十七萬元的資助，開發移動學習應用課件，用以提升大專學生的語文能力。

項目成功開發了四個學習課件：「英語傳意」、「行政人員商業英語」、「中國語文應用」以及「普通話應用」。

「開放教育」的一個重要元素就是要打破學習的障礙，而移動學習作為網上學習的延伸，能讓學生在沒有固定互聯網連接及相關設施的情況下，仍能通過移動網絡和裝置開展學習活動。

有關課件於二零一四年三月正式推出，在此之前，約一百五十名學生於去年十一月參與了自願性試讀測試。

Learning better while on the move

The Educational Technology and Publishing Unit (ETPU) and the Registry have successfully applied for a grant of \$1.57 million from the Government's Quality Enhancement Grant Scheme to develop mobile learning study materials for our students in order to enhance their language proficiency.

Entitled 'Mobile Learning Modules to Enhance Language Proficiency', the project has succeeded in developing the following modules: 'English for Effective Communication', 'Business Communication for Executives', 'Use of Chinese' and 'Use of Putonghua'.

An important element of 'open education' is breaking the barriers to learning. Mobile learning, as an extension of online learning, enables us to study through mobile networks and devices in environments without fixed Internet access and facilities.

The modules have undergone a trial by student volunteers before becoming officially available in March 2014. About 150 students were recruited last November for this trial.

開放學習資源 拓闊公眾視野

公開大學自一九八九年創立至今，一直致力向公眾開放教育資源。去年七月，大學推出嶄新的試讀計劃及一百五十個免費學習課件，使大眾能進一步享用有關的學習資源。

嶄新試讀計劃—免費的學習體驗

這項嶄新的試讀計劃在專上教育範疇中可謂獨創先河。學習者可以免費在一個學期內體驗開放學習，只要從未在本校修讀任何課程，都可透過此計劃申請試讀十九個免費課程中的任何一個。

一如史丹福大學的 Coursera 以及哈佛大學和麻省理工學院聯合開發的 EdX 平台，公開大學為有志學習者提供免費學習機會，而本校更進一步，讓參加者可享用大學的全部設施和服務，包括全套教材、面授導修課堂、網上學習支援、圖書館及實驗室設施、批閱課業及期終考試，基本上與修讀本校的一般課程無異。

試讀計劃的十九個課程由本校四個學院提供，涵蓋多個學科領域，包括語文、法律、飛行器工程，以至財務、經濟、資訊科技及幼兒教育，而這些課程由基礎、中級到深造程度都有，當中兩個更以網上學習模式提供。

試讀計劃於二零一三年七月二日推出，反應非常熱烈。成功入讀的學員於十月開始修讀有關課程，完成後，如想繼續修讀個別學位課程並計算相關學分，可選擇補交學費。

To share is to care: OUHK opens more learning resources to the public

Since its inception in 1989, OUHK has committed itself to making its educational resources available to the public. Last July, by means of a new Tryout Scheme and 150 Free Courseware modules, the University is broadening public access to its learning resources even more.

Trying without paying — New Tryout Scheme

The new Tryout Scheme is something unique in the higher education sector. It gives learners an opportunity to experience open learning for one semester at no cost. Under this scheme, anyone with no previous study record at OUHK is eligible to apply for a free trial study of one of its 19 courses on offer.

Much like Stanford University with its Coursera platform and Harvard University and MIT with their jointly developed EdX platform, OUHK offers free courses to the learning public. The University has gone one step further by providing support to aspiring learners. All 19 of the Tryout Scheme courses come with full access to the OUHK campus facilities and services, including course packs, tutorials, day schools, online materials, library privileges, laboratories, assignments and examinations, just like the complete experience of a regular course at OUHK.

The 19 courses offered by the four Schools of OUHK cover a whole spectrum of subject areas—from language, law and aircraft mechanics to finance, economics, IT and child education, and they are offered at the foundation, middle and postgraduate levels, with two of these courses delivered via the e-learning mode.

Launched on 2 July 2013, the Scheme has succeeded beyond our wildest expectations. Those successfully enrolled began their study in October, and upon completion, were offered the option of paying the tuition fee to earn the credits which will then be counted towards selected degree programmes in the future.

網上免費課件

本校自二零零七年首次推出網上免費課件，累計已有超過四十七萬次點擊率。二零一三年七月加推八十七個新課件，現時累積的免費課件單元達一百五十個，使更多公眾人士得以使用本校的開放學習資源。

本校開放課件的概念源自麻省理工學院的開放課程計劃，大學亦擬緊隨中國內地及其他五十個國家及城市的步伐，加入國際開放課件聯盟，與全球各地不同的學習社群分享各式各樣的教育資源。

我們的許多免費課件都採用了「創意共享」的彈性版權授權條款，這意味著所有的使用者都有權根據所明確列明的細則修改、組合、重用及重新分發有關的內容。學生、教師、培訓人員以至機構使用者，都可以一同善用有關知識，甚至加以改進和提升，使更多人能夠獲益。

我們所提供的免費課件均取材自大學本身的課程，包括本科以至深造程度，而涵蓋學科領域亦非常廣泛，計有法律、文學、歷史、音樂、商業、教師教育、語言、資訊科技、社會科學、財務管理以及中藥。各個課件包含多媒體教材、案例研究及參考材料，亦設有互動學習活動、測試題和問答題。此外，學員也可以在網上討論區分享經驗及交換想法。

Open, online and free

Our online Free Courseware, first launched in 2007, has already received over 470,000 hits. Eighty-seven new modules were rolled out in July 2013, for a cumulative total of 150 Free Courseware modules now available online, allowing even more people to access our open learning resources.

The University drew its inspiration from MIT's pioneering Open Courseware campaign. We plan to follow in the footsteps of mainland China and join the Open Courseware Consortium alongside 50 other countries and cities, sharing our educational resources with the global community of learners.

Many of our Free Courseware modules adopt the Creative Commons license, meaning that all users will have the right to revise, remix, reuse and redistribute the content in accordance with explicitly stated conditions. Students, teachers, trainers or any individual of institutional users are welcome to collaboratively take part in using, improving and creating an evolving body of knowledge for the greatest number of people.

These modules have been adapted from our University courses, at undergraduate and postgraduate levels, covering a wide range of subject areas, including law, arts, history, music, business, teacher education, languages, information technology, social sciences, financial management and herbal medicine. Each module is enriched by multimedia components, interactive activities, quizzes, case studies and reference materials. Users can share their experiences and exchange ideas in an online discussion forum.

香港開放教科書系統

公開大學於二零一三年一月開始研發「開放教科書系統」，以期解決本港教科書的種種問題。這個項目與大學開放教育的理念不謀而合，我們相信教育應該做到有教無類，而教育資源得以共享，將能提升教與學的質素。通過這個可持續的網上協作平台，教師以至學生將能輕易免費採用及改編當中的開放教科書。這些教科書涵蓋不同水平，由中小學以至大專都有。此系統將能解決不少香港教師、學生以至家長所面對有關教科書的問題。由於網上材料完全免費，用者只需負擔列印有關教材的費用，成本將能顯著減低。此外，師生可以自由使用、重用、組合及分發印刷版或電子版以至相關的學習材料，以配合個別學校的需求。教師亦可因應個別學校的需要作出修改，並由不同教師分擔相關工作。

有關項目通過教育局推薦成為二零一二年「行政長官社會資助計劃」之一，獲香港賽馬會慈善信託基金資助港幣一千七百五十萬元。目前若干大專程度的開放教科書已上載於開放教科書平台，日後將會推出更多的相關學習資源。此外，一套專為中小學所有級別的英國語文科而設計的開放教科書將於二零一五學年推出。

The Open Textbooks for Hong Kong project

In an attempt to tackle problems of Hong Kong textbooks, OUHK started the development of an Open Textbooks for Hong Kong project in January 2013. The project is very much in line with the University's open education philosophy: That education should be accessible to all and that learning and teaching will be enhanced when efforts are shared. It aims to establish an online, collaborative and sustainable system which provides free open textbooks for adoption and adaptation by teachers and for use by students. The textbooks cover all levels, from university to primary school. The project will help to solve many problems faced by teachers, students and parents in Hong Kong in relation to textbooks, which under this project will be much less expensive, because users only pay for the printing cost; electronic versions of the textbooks are given away to students free of charge; teachers and students are free to use, reuse, remix and distribute the printed and e-textbooks and associated open materials; and teachers can modify both the printed and electronic versions to meet individual school needs – and their work can also be shared among teachers.

The project was supported with a grant of HK\$17.5 million, as one of the 2012 Chief Executive's Community Projects funded by the Hong Kong Jockey Club Charities Trust through the recommendation of the Education Bureau. Some open textbooks at the tertiary level are already sourced and placed on the Open Textbooks Platform, and more will be added in future. A set of specially developed textbooks on the subject of English language for all grades of primary and secondary schools will be available for use in the 2015 school year.

交流協作 加強聯繫

五校合作開展 「電子書館藏共享計劃」

公開大學與四所本港自資專上學院獲「自資專上教育基金」設立的「質素提升支援計劃」批出五千萬元撥款資助，共同開展「電子書館藏共享計劃」。

計劃的啟動儀式於二零一三年十月二十九日在本校何文田校舍舉行，由東華學院校長汪國成教授、珠海學院張忠柁校長、「質素提升支援計劃」小組委員會召集人許浩明先生、本校梁智仁校長、教育局翁佩雲首席助理秘書長（延續教育）、明愛專上學院關清平校長及香港樹仁大學沙雅文協理副校長（質素保證）一同主持。

本校圖書館莫王慧雯館長在介紹該計劃時表示，由二零一四年一月開始，計劃將以三年時間建立聯校圖書館一站式檢索平台，實行資源共享，讓五所院校的師生可方便使用電子書館藏。由於公開大學在開發系統方面較具經驗，因此將會肩負新系統及平台的開發及建構工作，而各院校的圖書館亦會進行系統更新，以便融入新系統。按照計劃，各校將會共同購買高達二萬冊電子書，並由公開大學統籌採購。

其他院校如能符合共享資源的條件，將歡迎加入有關系統，讓更多學生受惠，共同推動本地專上教育的可持續發展。

銀禧學院環保設計獲鉑金榮譽

二零一三年九月，本校憑樓高十二層的銀禧學院獲香港綠色建築議會頒發最高的暫定「鉑金」評級認可，是目前香港第一及唯一一所專上教育機構獲此殊榮。稍後當整項工程完成並符合設定的環保承諾，此一暫定評級將獲正式確認。

副校長（科技及發展）梁鎮明教授為銀禧學院建築項目的總負責人，他表示新大樓的建築設計概念來自上世紀八、九十年代風靡全球的益智電腦遊戲「俄羅斯方塊」。大樓的設計參照俄羅斯方塊，即由長形及正方形狀組成，並配以白、淺灰及深灰三種顏色，以襯托公開大學藍、綠色的校徽設計。

Achievements of the University

A Platinum rating for Jubilee College's green campus concept

Last September, OUHK became the first and only tertiary institution to be awarded the Provisional Platinum for the creatively designed and environmentally-efficient 12-storey Jubilee College. It is provisional because it is pending project completion when all environmental commitments have been achieved.

Vice President Prof. Leung Chun-ming who oversaw the construction project revealed that the inspiration for the architectural design concept of the new building came from Tetris, a tile-matching puzzle video game popular in the 80's and 90's. The building design is based on the variety of polyominoes in Tetris, while the colour scheme of white, light and dark grey is a perfect foil for the University logo's colour of green and blue.

新大樓獲頒此環保榮譽，彰顯了本校對發展香港綠色建築的建樹。銀禧學院採用了多項環保節能設施，例如大樓中間安裝了一列借助風力發電的風車，而大樓其中十層建有全港最高的太陽能玻璃幕牆，能有效吸收太陽能作發電之用。此外，其中一面是全港最高的植物幕牆，具備散熱、淨化空氣及減低噪音等多項環保優點。大樓低層更採用 U 型通風開口設計，減低屏風效應，加強街道的通風度和透視度。

大樓內的冷暖氣系統能有效減少耗電量和碳排放達兩成，室內電燈亦採用感應系統以達致節能效果。為提供全方位的綠化環境，新校舍的校園廣場及大樓天台設有多個花園，種植大量植物。大學亦保留了原址的鳳凰木，並設置射燈以確保大樹健康生長。

The building won the award for its contributions to the development of eco-friendly buildings in Hong Kong. It is loaded with energy-saving and environmentally-friendly features, including a row of small electricity-generating windmills and a 10-storey solar glass curtain-wall, currently the tallest in Hong Kong. It also boasts the tallest green wall in Hong Kong on one side and double-glazed curtain-walls on the remaining three sides. Together, they improve the air quality and reduce heat and noise. The U-shape design and the additional opening at the lower three levels of the building facilitate air movement and visual penetration at the street level.

The air-conditioning system also reduces electricity consumption and carbon emission by 20%, while the sensor system for lighting control achieves further energy savings. A sprinkling of gardens adds to its green environment with plenty of plants in the campus plaza and the rooftop. The 'flame of the forest' is ensured health growth by adding special lighting.

FINANCE

財務

香港公開大學的長遠財務管理目標是為營運提供充裕的資源，並積累合理水平的儲備作為發展及其他個別項目的資金之用。過去幾年，大學靈活調動資源、審慎管理投資資金以及合理控制成本，從而得以達致上述的多項目標。作為一所自負盈虧的院校，公開大學的營運預算充份強調量入為出。我們的日常業務開支主要依賴學費收入、政府不定期的補助以及社會人士的捐款。

年內，我們的註冊學生人數共有一萬八千人。當中遙距課程的學生數目略有下降，而全日制課程學生則再次增加。為應對學生不斷變化的需求，本校繼續開辦新課程、增加教學資源，並投資發展基礎建設和校園設施，讓學生獲得最佳的教學支援。在不影響教學質素的大前提下，儘管對教學資源的需求顯著上升，我們仍把學費維持於合理水平。

The OUHK's long term financial management objectives are to provide sufficient resources for its operation and to accumulate a reasonable level of reserve to fund development and other one-off projects. The University has fulfilled these objectives over the past few years through swift allocation of resources, disciplined management of investment funds and reasonable cost control. As a self-financing institution, the University has put great emphasis on maintaining a balanced budget for operating activities. These activities were mainly financed by a combination of tuition fee income, ad hoc grants from the Government and philanthropic contributions from the community.

The year recorded a small decrease in the number of distance learning students while the number of full-time face-to-face students recorded another year of increase, with a total student enrolment reaching 18,000. To meet the changing needs of learners, the University has enriched its programme offerings and educational resources, and substantially improved the provision of physical facilities to strengthen teaching and learning support. Despite a substantial increase in resources requirements, the OUHK continues to maintain student fees at a reasonable level without compromising the quality of education.

營業額

香港公開大學（集團）本年的學費總收入為六億七千六百五十萬港元，較去年的六億零七百七十萬港元，上升百分之十一點三。增長主要是由於學費適度上調以及面授課程的學生人數輕微增加所致。

支出

香港公開大學（集團）去年支出總額為七億二千五百二十萬元，二零一二至二零一三年度則為六億二千零九十萬元。增幅主要是由於需要調撥更多資源開辦更多及更優質的學術課程，新設施的折舊開支上升，以及提升相關的支援服務。

利息與投資收益

鑑於債券價格下跌可能對投資表現造成負面影響，香港公開大學（集團）決定於年內增持股票，此舉令集團於本年獲得八千三百萬元投資及利息收益。

年度盈餘、基金及儲備金

香港公開大學（集團）年內錄得的整體盈餘為三千零九十萬元，去年盈餘則為八億九千三百七十萬港元，主要來自二零一二至二零一三年度出售的一項物業。截至二零一四年三月三十一日，大學（集團）的資金及儲備總額為二十八億零三百三十萬元，去年同期則為二十五億三千八百萬元。

捐款及配對補助金

受惠於政府第六輪配對補助金計劃，本校向師生、校友及大學友好一共籌得一千七百三十萬元，並獲政府配對四百三十萬元補助金。

年內，學生獎助學金獲善長、企業、慈善基金和各界友好捐款合共一千零七十萬元。

課程發展撥款

二零一三年十月，本校一共提供二百四十三個深造、學位及副學位課程，批出共一千五百二十萬元，用於發展和更新五十二個學科。

Turnover

The tuition fee income of the OUHK (Group) for the year amounted to HK\$676.5 million, an increase of 11.3% on the previous year's figure of HK\$607.7 million. The rise was mainly due to a moderate increase in tuition fees and a slightly larger number of enrolments for the face-to-face programmes.

Expenditure

The OUHK (Group) spent a total of HK\$725.2 million, compared with HK\$620.9 million in 2012-13. The increase was mainly due to the allocation of more resources to the delivery of new and better quality academic programmes, to meet higher depreciation charges for the new physical facilities and to enhance support services.

Interest and investment income

Noting that decreasing bond prices will adversely affect investment performance, a decision was made to put more weight on equity holding in the year. The change helped the OUHK (Group) to achieve a gain of HK\$83.0 million in interest and investment income during the year.

Surplus for the year, and funds and reserves

The OUHK (Group) recorded a surplus of HK\$30.9 million during the year, compared with a surplus of HK\$893.7 million in the previous year which was principally due to the sale of a property in 2012-13. The total funds and reserves of the University (Group) stood at HK\$2,803.3 million, as at 31 March 2014, compared with HK\$2,538.0 million on the same date of the previous year.

Donations and matching grant

The University received grants of HK\$4.3 million under the Government's Sixth Matching Grant Scheme to match a total of HK\$17.3 million eligible donations received from many alumni, students, staff and friends in the community.

During the year, we also received donations amounting to HK\$10.7 million for student scholarships and bursaries from various philanthropists, corporations, charitable foundations and friends.

Funding for course development

As of October 2013, we offered 243 postgraduate, degree and sub-degree programmes. A total of HK\$15.2 million was approved for the development and updating of 52 courses.

退休計劃

本校設有兩種員工退休計劃，分別為職業退休計劃和強積金計劃。年結時，參與職業退休計劃的員工有六百四十七人，基金總額為四億二千三百九十萬元。參與強積金計劃的員工有一千四百四十七人，基金總值五千七百六十萬元。

忠孝街的銀禧學院項目

耗資七億一千萬元的銀禧學院已於二零一四年一月落成。這幢十二層高的新大樓，建築面積達二萬一千五百平方米，注入著重創新及環保意識的設計元素，並顯著提升大學的教與學設施。新學院將會提供文化創意、檢測認證及醫療服務等全日制課程，學額達二千四百個。此校園發展項目，按照香港綠色建築議會確認的「綠建環評 1.1 版（新建建築）」全面環境評估計劃，獲頒「暫定鉑金級」認證，以表揚本校校園項目對香港環保建築發展的貢獻。

這發展項目得到政府及眾多善長人翁的鼎力支持，包括獲政府免息貸款三億一千七百萬元。此外，又得到香港賽馬會慈善信託基金捐款二億零七十萬元，其中一億九千萬元用作銀禧學院的建築經費，餘下一千零七十萬元則用以發展「賽馬會社區健康教育計劃」。就此我們十分感謝多位長期支持本校發展的善長對銀禧學院慷慨捐款。

葵興教學中心及李嘉誠專業進修學院總部

位於九龍貿易中心的葵興教學中心建築面積近一萬一千五百五十平方米，一共四層的教學中心可容納一千二百名學生，並提供寬敞的學習環境及完善的教學設施。葵興教學中心用作李嘉誠專業進修學院的總部以及大學的另一個教學中心，主要為非學分制課程提供額外教學設施。為這個項目籌組資金，本校出售位於上環的港島教學中心，新址面積是原有中心的三倍。

Retirement schemes

The OUHK provides two retirement schemes for staff, namely the Occupational Retirement Schemes Ordinance (ORSO) Scheme and the Mandatory Provident Fund (MPF) Scheme. At the year-end, the ORSO scheme had 647 members and the MPF Scheme had 1,447 members. The funds amounted to HK\$423.9 million and HK\$57.6 million, respectively.

Jubilee College on Chung Hau Street

The new HK\$710 million Jubilee College was completed in January 2014. This new 12-storey building has a gross floor area of 21,500 square metres, and incorporates a number of innovative and environmentally conscious design features. It has greatly improved the University's teaching and learning facilities. The College, the most striking development for the face-to-face programme, is expected to offer, in the steady state, an additional 2,400 places focusing on cultural and creative arts, testing and certification, and health care services. The new building has attained the Provisional Platinum rating for its contributions to the development of eco-friendly buildings in Hong Kong, under the BEAM Plus Version 1.1 for New Buildings' standard for buildings.

The project could not have materialized without the generous support from a large number of donors and the Government. An interest-free loan of HK\$317.0 million was arranged by the Government. The Hong Kong Jockey Club Charities Trust has granted a total of HK\$200.7 million to the OUHK. Out of the grant, HK\$190.0 million was used to fund the construction of the Jubilee College and the remaining HK\$10.7 million was for the launch of a Jockey Club Community Healthcare Education Programme. The University is also grateful to a number of long-standing supporters for their generous donations towards the Jubilee College.

Kwai Hing Learning Centre and Headquarters for LiPACE

The new Kwai Hing Learning Centre (KHLC) in the Kowloon Commerce Centre has a gross area of close to 11,550 square metres. The 4-storey Centre can accommodate 1,200 students with its spacious study environment and purpose-built teaching and learning facilities. The Centre serves as LiPACE's headquarters and another learning centre of the University, providing additional teaching facilities mainly for non-credit-bearing programmes. To finance the project, the University has disposed of its Island Learning Centre (ILC) in Sheung Wan. The replacement of the ILC by the KHLC results in an almost three-fold gain in floor space.

內地業務

本校在深圳的附屬公司本年度錄得二百八十萬元稅後盈利，上年度則為一百九十萬元。附屬公司宣佈本年度股息總額為三百萬元。

前景展望

銀禧學院及葵興教學中心的落成，為本校的遙距及面授課程提供了更完善的教學空間和設施，除可做到不假外求之外，亦能符合成本效益。因應對教學空間及設施與日俱增的需求，大學將持續進行投資，為學生構建更佳學習環境。

面對自資院校競爭日益激烈，及未來數年適齡中學畢業生人數減少，本校將致力審慎及有效地管理財政，以應對不同的資源需要及實現各項承諾。

公開大學本年慶祝二十五周年校慶。多年來本校持續對社會大眾不斷轉變的需求及期望靈活作出回應。展望將來，我們將無可避免面對自資院校之間競爭越趨激烈等多項挑戰，而過往本校致力維持量入為出的穩健財務狀況，將有助大學持續發揚有教無類的宏大教育理念。

Mainland activities

The University's subsidiary in Shenzhen achieved an after tax profit of HK\$2.8 million for the year, compared with HK\$1.9 million in the previous year. A total dividend of HK\$3.0 million was declared by the subsidiary for the year.

Outlook

The commissioning of the Jubilee College and the KHLC has enabled us to become more self-sufficient with regard to teaching venues for both distance learning and face-to-face programmes, achieving economies and convenience from our self-owned teaching space. The University will continue to make investment to meet the increasing demand for teaching and learning space and facilities, so as to provide a better learning environment for students.

Amidst increasing competition from other self-financing institutions and a likely drop in the number of eligible post-secondary school leavers in the next few years, the University will make unflinching effort to manage its finances carefully and prudently so as to meet its various resource needs and commitments.

The University is celebrating its 25th Anniversary this year. We are always mindful of the diverse, changing needs and expectations of the community. Despite the challenges ahead, our success in maintaining a healthy financial position in past years renders us confident to thrive in the increasingly competitive self-financing tertiary sector and fulfill its primary goal to provide education for all.

GRADUATE AND STUDENT STORIES

畢業生及學生剪影

Cheung Kam-wah 張金華

Master of Science in Energy and Environmental Sustainability, and currently studying Doctor of Engineering (distance learning programme)
能源及環境的可持續發展理學碩士、
現修讀工程學博士(遙距課程)

富士通香港有限公司通訊系統部總經理張金華於二零一一年取得本校能源及環境的可持續發展理學碩士後，翌年再報讀工程學博士課程，研習能源管理。

喜歡本校的遙距課程，原因之一是能夠接觸到來自不同行業的人士。「我的同學不少是在大公司任職管理層，部分則來自非政府組織，從事環保工作，大家經常互動交流，獲益良多。」他說導師都具備專業知識，加上課程內容全面而實用，很能切合他的工作所需。

張金華從事電訊軟件開發工作，服務的客戶包括大企業、電訊和金融機構。客戶對環境保護日益重視，他作為管理層，具備環保方面的知識可加強和客戶的溝通。而參與投標項目時，員工擁有相關學歷亦是一項優勢。課程觸及不同範疇，像「生命周期評估」(LCA)，詳細分析如何配合環保要求來開發產品，令他在工作上獲得不少啟發。

修讀環保課程期間還推動了他參與長跑。過往鮮有跑步的他，因修課而認識熱衷長跑的邱耀雄博士，在對方鼓勵下鍛煉長跑，其後更出任公開大學跑步學會會長，組織師生參與活動。

二零一三年，他憑優異成績獲頒傑出學生獎。對跑步和讀書，他有一番見解：「長跑需要長久的訓練，沒有僥倖。工作和讀書亦需長時間的付出，和跑步一樣，需要好好計劃，掌握時間，加上毅力，才能達到目標。」

Mr Cheung Kam-wah is the General Manager of Telecom Division of Fujitsu Hong Kong Limited. He obtained a Master of Science in Energy and Environmental Sustainability at OUHK in 2011. The following year he further enrolled in our Doctor of Engineering programme to pursue studies in energy management.

One reason why he is partial to our distance learning programmes is that they are a wonderful platform for developing contacts with people from different walks of life. He added, 'Many of my classmates are managerial staff in major corporations. Others come from NGO's with a mission in environmental protection. We have had frequent and free-wheeling exchange of views, from which we all benefit.' He was equally impressed with the professionalism of the instructors, not to mention the comprehensive and practical nature of the programmes. They are exactly what he needs for his work.

Mr Cheung is in the telecom software business, with major enterprises, telecom companies and financial institutions as his clientele. His clients are increasingly concerned with environmental protection. As part of management conversant with environmental protection, he enjoys an edge in communicating with his clients. At the same time, in making bids in the tendering process, having the relevant know-how is a definite advantage. The courses he took touch on various aspects of the discipline, such as 'Life Cycle Assessment', a detailed analysis of how to develop products that match the needs of environmental protection. They opened up his thinking in his work.

An incidental benefit of his enrolment in the environmental protection programme is the arousal of his interest in long distance running. Prior to this, he had never been much of a runner. But he got to know a long distance running aficionado Dr Yau Yiu-hung through the programme, who got him hooked on long distance running. He ended up becoming the President of the OUHK Student Runner Club, helping to draw staff and students to this activity.

In 2013, his academic achievements won him the Outstanding Student Award. He has developed his own philosophy about running and studying. 'Long distance running takes prolonged practice. There are no shortcuts. Likewise, work and studying both require considerable expenditure of time. They, too, take good planning, time management and stamina to reach the final destination.'

Wang Yangao 王雁高

Master of Education, Bachelor of Education with Honours in Secondary Education (Chinese Strand) (distance learning programme)
教育碩士、教育榮譽學士(中學教育：中文專科)(遙距課程)

華夏基金會總裁王雁高對教育工作充滿熱忱，先後在本校取得教育榮譽學士(中學教育：中文專科)及教育碩士學位。「我們要做到『悟人子弟』，絕不可以誤人子弟。」

在內地出生及成長，他年輕時曾任國家職業運動員。一九七八年考進大學，畢業後在大學當了八年講師。移居香港後，學歷不獲承認，雖然其後考取到認可教師資歷，仍毅然放下教鞭，轉而從商。後來一位小學校監誠邀他執教，有感自己由當初被排斥到此刻獲邀請，他心念一轉，決定重投教育之路，並先後在小學、中學和職業教育院校執教。

他認為人不能固步自封，必須持續學習，以適應轉變的環境。雖然已持有學士學歷，但希望不斷更新知識，故於一九九九年報讀本校教育學士課程；兩年後，為深入認識教育管理，雖未畢業仍報讀教育碩士課程。同時修讀兩個課程並不容易，他細心規劃時間，悉力以赴，終在二零零七年完成學業。他表示，公開大學的課程讓他深入了解青少年各階段的教育需要，更重要是能夠不斷實踐所學，以及反思教育的本質，思考如何配合現代社會來施教。

二零一零年，王雁高轉職華夏基金會，從更闊的層面推動全國各地的基礎教育項目。他強調教育並非只為考試，而是要啟發學生的思考和判斷能力。教育關乎到國家的未來，他期望透過推動優質教育，培育更高質素的人才。

Mr Wang Yangao, CEO of Huaxia Foundation, completed the Master of Education programme and Bachelor of Education with Honours in Secondary Education (Chinese Strand) programme at the OUHK. With his passion for education, the words that are always on his lips are: 'Open up the students, never let them down.'

Born and bred on the mainland, he was a trained professional athlete at the national level. Admitted into university in 1978, he became a university lecturer for eight years. Upon immigrating to Hong Kong, he found to his disappointment that his academic credentials were not recognized in the territory. Although he subsequently obtained the necessary qualifications as a teacher, he decided to leave the teaching profession to go into the business sector. Later, when invited by the superintendent of a primary school to take up a teaching post, he had a change of heart, and returned once more to the teachers' ranks, becoming a teacher successively at primary school, secondary school and vocational training institute.

He does not believe in standing still. He believes that continuous learning is necessary for successful adaptation to a changing environment. Although he already has a bachelor's degree under his belt, he was desirous of renewing his knowledge. Consequently, he enrolled in our bachelor's degree in education programme. Two years later, to further his knowledge of educational management, he enrolled in a master's degree in education programme. Being simultaneously enrolled in two programmes is never an easy task, requiring meticulous time management and dedication. By 2007, he had completed all his studies. The programmes he undertook at OUHK enabled him to understand in depth the educational needs of young people at various levels. More importantly, he has learned to put into practice what he has acquired, mindful of the nature of education and how best to meet the needs of modern society through teaching.

In 2010, Mr Wang made a career move to the Huaxia Foundation where he commands a broader perspective to promote foundational education projects across the nation. He keeps stressing that education is not just about examinations, it is about developing the thinking skills and the good exercise of judgment of students. It is on education that the future of the nation depends. His aspiration is to see that through promoting quality education, higher caliber talents will be nurtured to help shape that future.

Lau Yuen-keung 劉遠強

Bachelor of Business Administration in China Business
(full-time programme)
中國商業工商管理學士(全日制課程)

二零一四年，全日制學生劉遠強接獲多個喜訊，既取得本校中國商業工商管理學士，同時獲政府「自資專上獎學金計劃」頒發才藝發展獎學金，以及榮獲香港拳擊總會頒發五十二公斤組別的全年總冠軍。

早於高中時代已學習詠春、柔道及拳擊，遠強坦言小時是個無心向學的孩子，後來得師父教誨，明白到不能荒廢學業，決意急起直追。奈何起步遲，力追仍未能達標，會考成績欠佳。但他沒有放棄，努力修畢毅進課程及副學士先修班後，再報讀公開大學的學士課程。

選擇中國商業工商管理課程，源於喜歡中國文化，亦看到中國商業前景無限。他對「中國市場學」一科尤感興趣，老師分析了不少企業個案，提供課程範圍以外的資料，大大擴闊他的視野。大學課程雖然緊密，遠強仍然仔細分配時間，持續鍛煉拳擊及參與比賽。

謙稱是個欠缺天份的拳手，早期作賽未有締造佳績，但憑着鏗而不捨的精神，屢敗屢戰，終於獲取殊榮。在台上比賽，他並非以擊倒對手為目標，而是專注於個人技術，挑戰自我。他說：「能夠獲勝，背後有很多人付出，特別感謝師父蘇嘉健及師兄弟的支持。」同學們經常陪他午飯時進食簡餐，以保持體重，亦令他感到十分窩心。

拳擊運動對劉遠強深具啟發性。為了準備賽事，訓練和飲食都有嚴格規限，他把這份自律精神用到學習上：「只要肯努力，肯堅持，保持自律，最後會得到成果。」

For full-time student Mr Lau Yuen-keung, 2014 is a year of joyful news. He received his Bachelor's Degree in Business Administration in China Business. He also awarded a Talent Development Scholarship in the Government's Self-financing Post-secondary Scholarship Scheme. Additionally, he was crowned the Overall Championship of Boxing in the 52 kg group by the Hong Kong Boxing Association.

As early as his high school years, Yuen-keung had begun learning mixed martial arts: Wing Chun kung fu, jujitsu and boxing. He did not mind admitting that in his early years he had little interest in academic studies. But under the tutelage of his master, he came to realize that he could not ignore his school work. He made up his mind to play catch up. But as a late-starter, he found the going tough and the goal elusive. Not surprisingly, he did not do well in the HKCEE. Undaunted, he applied himself to the Yi Jin programme and the pre-Associate Degree programme. Subsequently, he enrolled in the OUHK's bachelor programme.

He chose China Business for his university study because of his affinity for Chinese culture. He was also attracted to the unlimited prospects in China's business sector. He was particularly drawn to the 'China Market Studies' in which his teachers took him through many case studies, taking him beyond the confines of his curriculum, and broadening his horizons. Despite the demands of a heavy academic load, he managed his time meticulously and persisted in his boxing practice and competitions.

He was quite modest in describing himself as an ungifted boxer, as his early fight results were lackluster. But he persevered. He might be down, but he was never out. He finally prevailed. Within the boxing ring, Yuen-keung's first aim was not to knock out his opponent. He was more focused on honing his boxing skills. He was mostly challenging himself. He said, 'Behind every victory is the dedicated support of many people. I am particularly grateful to my coach Master So Ka-kin and my martial arts brothers.' He was deeply moved when his classmates kept him company and often shared a simple and healthy meal with him to help him keep his weight down.

Boxing has a far-reaching impact on Yuen-keung. To prepare for his bouts, he must adhere strictly to training and dietary regimes. Then he parlayed this self-discipline into his studies, believing that 'hard work, perseverance and discipline will eventually produce the desired results'.

Ng Lap-hei 吳立熙

Currently studying Bachelor of Arts with Honours in
Creative Writing and Film Arts (full-time programme)
現修讀創意寫作與電影藝術榮譽文學士(全日制課程)

在家人薰陶下，吳立熙幼年已懂哼唱粵曲，家人後來送他到興趣班，由基本功開始學習粵劇。九歲首登台板，在折子戲《夜送京娘》演趙匡胤。十六歲考進八和會館青少年訓練班，至今仍孜孜不倦的隨前輩學戲，並定期參與演出。

基於對藝術的喜愛，二零一二年他報讀創意寫作與電影藝術榮譽文學士全日制課程。縱然沒有關於戲曲的科目，課程卻開了他的眼界：欣賞由文學到影視不同藝術領域的作品、嘗試各種形式的寫作、認識如美術指導等崗位的工作，甚至參與短片拍攝。

課堂上，他的粵劇造詣亦有機會派上用場。像戲劇課獲派演《南海十三郎》，他的戲曲訓練正適合演繹這位粵劇劇作家。他說：「在公開大學學到的，未必完全幫到演出，卻啟發我去思考粵劇的發展。」像投影效果和拍攝技巧，均可用到粵劇劇場，為演出添新意。修課亦驅使他建立一些學習模式，像撰寫札記、多欣賞不同類型的表演，以及細心觀察街上的人和事，多寫多看多發掘，觀摩學習。

吳立熙曾在多個粵劇比賽獲獎，包括二零一一年全港青年學藝粵曲比賽青年粵曲組冠軍。早前獲政府「自資專上獎學金計劃」頒發才藝發展獎學金，他計劃把部分獎學金用於添置戲服，為演出作準備。未來他打算朝武生行檔發展，以業餘形式繼續演出，至於正職，則有意從事採訪撰文工作。

Under the influence of his family, full-time student Mr Ng Lap-hei began humming Cantonese operatic tunes at an early age. They sent him to a Cantonese opera interest course to learn the basics of the operatic singing techniques. He began performing on stage by the age of nine. By 16, he was inducted into an operatic training programme for youth. To this day, he is still learning and performing the art form that he loves.

Because of this affection for the performing arts, he joined the OUHK's Bachelor of Arts with Honours in Creative Writing and Film Arts programme in 2012. Even without operatic elements, the programme has been an eye-opening experience for him, in which he learned to appreciate literary and cinematic or visual art works, different genres of writing, artistic knowledge and art direction. He even dabbled in the production of short films.

In class, his Cantonese operatic accomplishments were put to good use. When assigned a role, his operatic training prepared him well for its interpretation and execution. He said 'What I learned at OUHK may not be immediately applicable to operatic performance, but it has stimulated my thinking about the direction of Cantonese operatic development.' Projection effects and photographic techniques are also applicable to staging Cantonese operas, adding a new element to an old art form. Formal studies also lead to establishing modes of learning, such as scriptwriting, and a receptive attitude towards various types of performances and have the result of sensitizing him to people-watching, reading, observation and discovery of new phenomena. It is education through observation.

Lap-hei has been a multiple winner of awards in Cantonese operatic competitions, including the 2011 Hong Kong Youth Cultural and Arts Competition. He also won a Talent Development Scholarship in the Government's Self-financing Post-secondary Scholarship Scheme, and planned to use the money to purchase operatic costumes in preparation for his future performances. He sees himself being an amateur operatic performer of the martial arts sub-category (Wusheng). As for his day job, he intends to pursue a career in reportorial writing.
