**ADVANCED STANDING**

**Total Credit Value of Qualifications Approved by  
Academic Board/Senate**

**Australia**

**Australia & H.K.**

**New Zealand**

**Remarks:**

The TCV (Total Credit Value) column indicates the maximum number of credits transferrable to a 120-credit/90-credit-unit ordinary degree and a 160-credit/120-credit-unit honours degree at HKMU respectively under the 5-credit system and 3-credit-unit system.

Example:

5-credit system – 80/100 denotes the maximum transferrable credits towards an ordinary degree=80, while an honours degree=100.

3-credit-unit system – 60/75 denotes the maximum transferrable credits towards an ordinary degree=60, while an honours degree=75.

\* Under 3-credit-unit system, a previously assessed qualification with a TCV of 60/75 may require further review, if the application is made towards an HKMU award that requires more credits than the minimum programme requirement, i.e. 90-credit-unit for an ordinary degree, and 120-credit-unit for an honours degree.
