

**HONG KONG METROPOLITAN UNIVERSITY**

**ADVANCED STANDING**

**Total Credit Value of Qualifications Approved by  
Academic Board/Senate**

**Master's degree  
and  
Postgraduate Diploma Programmes**

**Remarks:**

The TCV (Total Credit Value) column indicates the maximum number of credits transferrable to a 40-credit/18-credit-unit Postgraduate Diploma and a 60-credit/30-credit-unit Master's degree at HKMU respectively under the 5-credit system and 3-credit-unit system.

\* Under 3-credit-unit system, a previously assessed qualification with a TCV of 9 (towards a Postgraduate Diploma) or 15 (towards a Master's degree) may require further review, if the application is made towards an HKMU award that requires more credits than the minimum programme requirement, i.e. 18-credit-unit for a Postgraduate Diploma, and 30-credit-unit for a Master's degree.

**Applications towards Master's degree and Postgraduate Diploma programmes**
