

Don't wait. Act. Mazars, the smart choice.

2022 Graduate Associates – Audit & Assurance - Hong Kong

What you can expect

As a Graduate Associate with our Audit & Assurance team, you will build an understanding on the importance of audit work and how it impacts clients' business. You will be working in a team environment, leading by a senior and stepping out to interact with clients. The senior will guide you through in case you have any questions. Also, you will gain exposure to a number of different industries and organisations, from privately owned business, well known household name up to public/listed companies.

Your typical day will vary between:

- Getting familiar to use key software and systems facilitating your day-to-day work
- Learning by doing through checking and investigating a client's financial information such as purchase and sales invoices, payroll records, bank balances and statements
- Building up your professional knowledge by providing analysis and insight
- Nurturing client relationships through meetings and developing an understanding of their business/industry
- Acquiring essentials skills to shape your career the way you want
