Best Wishes to the Elderly: Life Education Programme

【 Service-Learning 】 SAO organized the 'Best Wishes to the Elderly' Life Education Programme from Oct to Dec 2021. This programme aims to allow student volunteers to learn life planning and think positively about life and death through a series of life education experience activities, such as visiting Diamond Hill Funeral Home and Ark Life Education House. Moreover, they promoted life education to 8 singleton elderly people, as well as assisted them to prepare for critical illness arrangements and fulfill their small wishes.

Their dream-action included: going to the park that an old lady often went with

her deceased husband before, riding the Hong Kong Observation Wheel, watching a biographical movie of a deceased idol, Anita Mui, etc. The service targets expressed their gratitude to the student volunteers.
