

Dear HKMU Service Alliance Members,

Autumn is the best time of the year to start outdoor adventure and community volunteer work. This newsletter will introduce two upcoming SAO events, including “Westventure” Reality Puzzle Game and the “Personality Dimensions® Assessment Workshop 2022/23”, both activities are recognized as “Bonus Mission” for Freshmen Programme 2022. In addition, there are three external activities for you to join too! We hope that you will take this opportunity to serve the community and enrich yourself during this autumn season!

## News & Upcoming Events

### “Westventure” Reality Puzzle Game

【SAO Programme】

Have you ever imagined that playing a puzzle game can also help you to understand one of the social issues in Hong Kong - poverty? In order to let members understand more about the community culture and poverty issues, HKMU Student Affairs Office (SAO) will organize the “Westventure” Reality Puzzle Game on November 12 (Sat), so that members can have fun with this game box for free meanwhile learn about the reality of poverty!

Students are welcome to sign up as a group (4 people) or just by yourself! As the game materials are all displayed in traditional Chinese, participants must be able to read Chinese. This activity is also

recognized as “Bonus Mission” for Freshmen Programme 2022.

## Personality Dimensions® Assessment Workshop 2022/23

【SAO Programme】

**Personality Dimensions®**

Personality Dimensions® Assessment Workshop 2022/23 poster featuring a central figure with a question mark and four colored question marks (green, orange, red, blue) around it. Below the figure, the date, time, and venue are listed. The logo of Hong Kong Metropolitan University and the Student Affairs Office is at the bottom.

**Date: 26/10/2022**  
**Time: 14:30 - 17:30**  
**Venue: C0821, MC**

**HKMU** 香港都會大學  
HONG KONG METROPOLITAN UNIVERSITY  
學生事務處  
Student Affairs Office

Have you ever wondered why you immediately click with some people, but not others? It is all about understanding who you are and why do you do things a certain way. SAO would like to introduce a tool for you to better understand yourself and others: Personality Dimensions® Assessment.

Personality Dimension® uses colors, symbols and short descriptors to represent the four personalities, through simple assessments and fun activities, participants will discover strengths, potentials and challenges of four temperaments. If you would like to enrich the understanding of self-personality and others,

please sign-up to join this workshop and take action now! This activity is recognized as “Bonus Mission” for Freshmen Programme 2022. ([Details](#) and [Application](#))

## External Activity

### Meet Industry Leaders & Ask Anything You Want!

【External Activity】Time Auction, a charity that advocates volunteerism — You could meet industry leaders and ask anything you want, by completing 10 volunteer hours at their platform in the past year!

## Nite Cat Online Volunteer Scheme (20th)

【External Activity】The Boys' & Girls' Clubs Association of Hong Kong (BGCA) is dedicated to the welfare of children and youth. Since 2011, they have launched the "Nite Cat" online youth outreach service, which provides professional outreach and counseling services to Internet users aged 6 to 24 through social networking sites, discussion forums and instant messaging tools, promoting healthy interaction on the Internet and in the real world, and conveying a supportive and caring online culture.

Students who are interested in online culture and online support are welcome to apply and experience online outreach and related support services together.

### (Details and Application)

## Little KOL Training Programme

【External Activity】"Little KOL Training Programme" aims to nurture the new generation of children to realize their personal potential. Through training, workshops, video shooting, and competitions, primary school students can explore and discover themselves, cultivate their all-round development, and inspire and guide them to care for society through diversified activities.

The tertiary students would have the opportunity to lead primary students to participate in activities and also learn together with primary student. They could also use what they have learned to help lead primary students to carry out activities.
