Life Education Ambassador Programme 2022/2023

Have you ever imagined what it would be like to be buried in a coffin after death? Have you thought about writing a posthumous paper and plan for your after-death arrangements?

The Student Affairs Office is now recruiting students who are interested in life education and willing to serve the elderly, to participate in the life-education ambassador programme.

Become our ambassadors to collaborate with different stakeholders, promote life education to the general public and make a positive impact. Come and join us now! ([Application](#) and [Details](#))

WHITE CANE PROGRAMME

Become a buddy for visually impaired people to join the darts competition!

Training Session	
[2022]	[2023]
21 November	9, 16, 30 January
5, 12 December (Monday)	13, 20, 27 February 6, 13, 20 March (Monday)
Darts Competition	
25 March 2023, AM Session (Saturday)	

White Cane Programme – Become a buddy for visually impaired people to join the darts competition!

Have you ever imaged that visually impaired people can also play darts? Have you ever wondered how visually impaired people aim the target if he/she couldn't see the board? Here is a great opportunity for you to find out the answer! Hong Kong Blind Sports Federation and Student Affairs Office are going to organize a darts competition on 25 March 2023 (Sat) at HKMU. Therefore we would like to recruit some student volunteers to become the buddy of visually impaired athletes to join the darts competition!

All full-time undergraduate students who is passionate to serve the visually impaired community is welcome to join. However, Cantonese proficiency is required for this activity. Training sessions on 21 Nov 2022 and 5 Dec 2022 are recognized as "Bonus Mission" for Freshmen Programme 2022.

Past Event Review

Personality Dimensions® Assessment Workshop 2022/23

Personality Dimensions® Assessment Workshop has been organized in October for Service Alliance members to better understand themselves and others, help them to improve interpersonal skills, foster attitude of appreciation and respect so that they can become more effective in their relationships, their work and lives.

Participants got an initial idea of their personality types and introversion/extroversion preference and understood the differences between their own values, strengths, joys and stressors with others.
