### Climate Action Recognition Scheme (CARS)

“Climate Action Recognition Scheme (CARS)” is an entrepreneurship programme initiated by Hong Kong SDG Hub, co-organised by the Environment and Ecology Bureau and sponsored by HSBC. CARS recognizes and invests in innovative and outstanding start-up ideas which address the UN SDG 13 – Climate Action.

CARS provide young entrepreneurs who are determined to act on climate solutions by providing: holistic training, mentorship support, publicity and networking, fund up to HK\$180,000 or other resources. If you are interested in this scheme, please

apply through the button below by 2 May 2023.
