Government established • Financially independent

Professional Development Seminars & Workshops Research Tactics and Skills Series 2012-2013

The Government will soon provide funding for research to academic staff of self-financing institutions on a competitive basis. To facilitate capitalization of the funding opportunity, we are pleased to offer a new series of seminars and workshops for academic staff on how to prepare quality research proposals and to properly implement research.

Topic 1:

Preparing Research Proposals for Funding

Time: 10:00 am – 11:30 am, 9 November 2012

Venue: B0614

Speaker: Prof. K.T. Chau

Department of Electrical and Electronic Engineering,
The University of Hong Kong

Contents:

- Identification of research topics and research questions
- Parts and necessary elements of a research proposal
- Key success factors and common mistakes to avoid
- Common criteria for evaluation of proposals
- Good practices and common mistakes in research report writing
- Possible and suitable sources of funding
- Experience sharing/practical examples
