

Call for Applications: M+ Young Collective Volunteer Programme (2026)

M+ is a museum dedicated to collecting, exhibiting, and interpreting visual art, design and architecture, moving image, and Hong Kong visual culture of the twentieth and twenty-first centuries. Learning is at the heart of M+. Central to our work is a focus on youth participation and engagement. Since 2015, M+ has been engaging young people through programmes such as M+ Young Collective, Young People Summer Camp, Young People Meet-Up and Young People Summer Takeover.

M+ is now recruiting **students and recent graduates from universities and community colleges** as members of 2026 **M+ Young Collective** volunteer programme. This programme engages curious, passionate, and dedicated young volunteers who come together to explore how M+, as a space for display and social participation, can connect the museum's exhibitions and collections with the daily life experience of young people and their thoughts. M+ Educators will work with young people to challenge preconceived ideas, bring creativity to life, and exchange thoughts. Members of Young Collective alongside Educators work to develop, plan, and deliver a series of public programmes responding to the programme's annual theme and M+ exhibition content, and to share their findings.

What will you gain from joining M+ Young Collective?

- unique opportunities to collaborate with the M+ team and the educators;
- hands-on and behind-the-scenes experience at M+;
- a journey of self-discovery through a wide range of themes and subjects centred around twentieth- and twenty-first-century visual culture;
- getting to meet other young talents from diverse backgrounds;
- transportation allowance (HKD250/session) and a reference letter.

Come join us if you are:

- a local tertiary student or recent graduate ages eighteen to twenty-four, no previous experience in art and culture is required;
- interested in art and culture;
- eager and open-minded to learn, explore, and collaborate;
- able to communicate in Cantonese and English

Schedule:

The engagement period is **from late February to early June 2026** for **four months**. Regular meetings will be held on Friday evenings or Saturday/Sunday afternoons, and the actual schedule will be announced to successful candidates.
